# 1.1. About Stellar Converter for Audio Video

**Stellar Converter for Audio Video** software is an optimized solution for the conversion of media files to various audio and video file formats. It can convert video to video, audio to audio and video to audio files so that they can be readily played on a range of audio/video players and portable devices like mobile phones, iPods, etc.

Additionally, **Stellar Converter for Audio Video** gives several options to edit your videos such as trim, crop, apply effects, add watermark, add subtitles, add new audio or overlay another video/GIF to an existing video.

The software can also be used to create GIFs and add metadata to your audio / video files. Metadata is a set of data that describes and gives information about an audio or video file.

## Key Features:

- **Supported Formats:** Supports all major file formats and devices. Refer to Supported File Formats for the complete list.
- **Editing Features:** Edit videos by trimming, cropping, adding effects, watermark, subtitles, and others before conversion process.
- **Batch Conversion:** Convert multiple video/audio files into a different format in single conversion cycle..
- **Merge Feature:** Combine multiple video files into one and convert the merged video into desired format.
- **Advanced Settings:** Configure advance settings such as quality, codec, resolution, frame rate, audio bitrate, channel etc. for audio/video files.
- **GIF Maker:** Convert a video or set of photos to a GIF picture.
- **Metadata Information:** Add or edit the metadata information attached to the audio or video files.

## 1.2. About the Guide

Welcome to **Stellar Converter for Audio Video** User Guide! Choose a topic from the left to navigate through different topics that are in this guide.

This user guide contains sequential steps to assist you through various **Stellar Converter for Audio Video** functions. Each function is explained in details, in the corresponding sections. The guide covers following major topics:

1. General Information
2. Getting Started
3. Working with the Software
4. Supported File Formats
5. Frequently Asked Questions (FAQ)

This guide is intended for individuals who use **Stellar Converter for Audio Video** to convert video and audio files from one format to another.

This guide has the following features for easy navigation and understanding:

- The navigation arrows on the top right corner, below the header of each topic, can be used to navigate to the previous and next topic respectively.
- Some topics of this guide contain **Related Topics** at the end of the topic, which can be used to navigate to other topics that are related to current topic.
- There are Notes and Tips in some topics of this guide for better understanding and ease of work. These Notes and Tips are given in *italics style*.

For any queries or feedback related to this guide, kindly contact us.

## 1.3. Stellar Support

Our Technical Support professionals will give solutions for all your queries related to **Stellar** products.

This license applies to the standard-licensed version of **Stellar Converter for Audio Video**.

## **Your Agreement to this License**

You should carefully read the following terms and conditions before using, installing or distributing this software, unless you have a different license agreement signed by Stellar Information Technology Private Limited.

If you do not agree to all of the terms and conditions of this License then do not copy, install, distribute or use any copy of **Stellar Converter for Audio Video** with which this License is included, you may return the complete package unused without requesting an activation key within 30 days after purchase for a full refund of your payment.

The terms and conditions of this License describe the permitted use and users of each Licensed Copy of **Stellar Converter for Audio Video**. For purposes of this License, if you have a valid single-user license, you have the right to use a single Licensed Copy of **Stellar Converter for Audio Video**. If you or your organization has a valid multi-user license, then you or your organization has the right to use up to a number of Licensed Copies of **Stellar Converter for Audio Video** equal to the number of copies indicated in the documents issued by Stellar when granting the license.

## Scope of License

Each Licensed Copy of **Stellar Converter for Audio Video** may either be used by a single person or used non-simultaneously by multiple people who use the software personally installed on a single workstation. This is not a concurrent use license.

All rights of any kind in **Stellar Converter for Audio Video**, which are not expressly granted in this license, are entirely and exclusively reserved to and by Stellar Information Technology Private Limited.

You shall not rent, lease, modify, translate, reverse engineer, decompile, disassemble or create derivative works based on **Stellar Converter for Audio Video** nor permit anyone else to do so. You shall not make access to **Stellar Converter for Audio Video** available to others in connection with a service bureau, application service provider or similar business nor permit anyone else to do so.

## Warranty Disclaimers and Liability Limitations

**Stellar Converter for Audio Video** and all accompanying software, files, data and materials are distributed and provided AS IS and with no warranties of any kind, whether expressed or implied. You acknowledge that good data processing procedure dictates that any program including **Stellar Converter for Audio Video** must be thoroughly tested with non-critical data before there is any reliance on it and you hereby assume the entire risk of all use of the copies of **Stellar Converter for Audio Video** covered by this License. This disclaimer of warranty constitutes an essential part of this License. In addition, in no event does Stellar authorize you or anyone else to use **Stellar Converter for Audio Video** in applications or systems where its failure to perform can reasonably be expected to result in a significant physical injury or in loss of life. Any such use is entirely at your own risk and you would not hold Stellar responsible for any and all claims or losses relating to such unauthorized use.

In no event shall Stellar Information Technology Private Limited or its suppliers be liable for any special, incidental, indirect, or consequential damages whatsoever (including, without limitation, damages for loss of business profits, business interruption, loss of business information, or any other pecuniary loss) arising out of the use of or inability to use the software product or the provision of or failure to provide

support services, even if Stellar Information Technology Private Limited has been advised of the possibility of such damages. In any case, Stellar Information Technology Private Limited's entire liability under any provision shall be limited to the amount actually paid by you for the software product.

## **General**

This License is the complete statement of the agreement between the parties on the subject matter and merges and supersedes all other or prior understandings, purchase orders, agreements and arrangements. This License shall be governed by the laws of the State of Delhi, India. Exclusive jurisdiction and venue for all matters relating to this License shall be in courts and fora located in the State of Delhi, India and you consent to such jurisdiction and venue. There are no third party beneficiaries of any promises, obligations or representations made by Stellar herein. Any waiver by Stellar of any violation of this License by you shall not constitute nor contribute to a waiver by Stellar of any other or future violation of the same provision or any other provision of this License.

## **2. Getting Started**

2.1. Installation Procedure

2.2. Launching the Software

2.3. User Interface

2.4. Ordering the Software

2.5. Activating the Software

2.6. Updating the Software

## 2.1. Installation Procedure

Before installing the software, check that your system meets the minimum system requirements.

### Minimum System Requirements:

- **Processor:** Pentium Class
- **Operating System:** Windows 10 / Windows 8.1 / Windows 8 / Windows 7
- **Memory:** Memory: 2 GB minimum (4 GB recommended)
- **Hard Disk:** 250 MB of Free Space

To install the software, follow these steps:

- Double-click **StellarConverterforAudioVideo.exe** executable file to start installation. **Setup- Stellar Converter for Audio Video** dialog box is displayed.
- Click **Next. License Agreement** dialog box is displayed.
- Choose **I accept the agreement** option. **Next** button will be enabled. Click **Next. Select Destination Location** dialog box is displayed.
- Click **Browse** to select the destination path where the setup files will be stored. Click **Next. Select Start Menu Folder** dialog box is displayed.
- Click **Browse** to provide path for program's shortcuts. Click **Next. Select Additional Tasks** dialog box is displayed.
- Choose the check boxes as per your choice. Click **Next. Ready to Install** dialog box is displayed.
- Review the entries. Click **Back** if you want to change them. Click **Install** to start installation. The Installing window shows the installation process.
- After completing the process, Completing the **Stellar Converter for Audio Video Setup Wizard** window is displayed. Click **Finish**.

**Note:** Clear **Launch Stellar Converter for Audio Video** check box before clicking **Finish** to prevent the software from launching.

## 2.2. Launching the Software

**To launch Stellar Converter for Audio Video in Windows 10:**

- Click **Start** icon -> **All apps** -> **Stellar Converter for Audio Video** -> **Stellar Converter for Audio Video** . Or,
- Double click **Stellar Converter for Audio Video** icon on the desktop. Or,
- Click **Stellar Converter for Audio Video** tile on the home screen.

**To launch Stellar Converter for Audio Video in Windows 8.1 / 8:**

- Click **Stellar Converter for Audio Video** tile on the home screen. Or,
- Double click **Stellar Converter for Audio Video** icon on the desktop.

**To launch Stellar Converter for Audio Video in Windows 7:**

- Click **Start** -> **Programs** -> **Stellar Converter for Audio Video** -> **Stellar Converter for Audio Video** . Or,
- Double click **Stellar Converter for Audio Video** icon on the desktop. Or,
- Click **Stellar Converter for Audio Video** icon in Quick Launch.

## 2.3. User Interface

**Stellar Converter for Audio Video** software has a very easy to use Graphical User Interface. After launching the program, you will see the main user interface as shown below:

The user interface contains buttons that allows you to access various features of the software with ease.

## 2.3.1. Buttons

You will make use of the following buttons while using **Stellar Converter for Audio Video**.

	<p><b>Help</b></p> <p>Click this button to open the help manual of the software.</p>
	<p><b>Update</b></p> <p>Click this button to update <b>Stellar Converter for Audio Video</b>.</p>
	<p><b>Buy</b></p> <p>Click this button to buy <b>Stellar Converter for Audio Video</b> online.</p>

### **Activation**

Click this button to activate the software after purchasing.

## 2.4. Ordering the Software

Click <https://www.stellarinfo.com/audio-video-converter.php> to know more about **Stellar Converter for Audio Video**.

To purchase the software online, please visit <https://www.stellarinfo.com/media-tools/audio-video-converter/buy-now.php>

## 2.5. Activating the Software

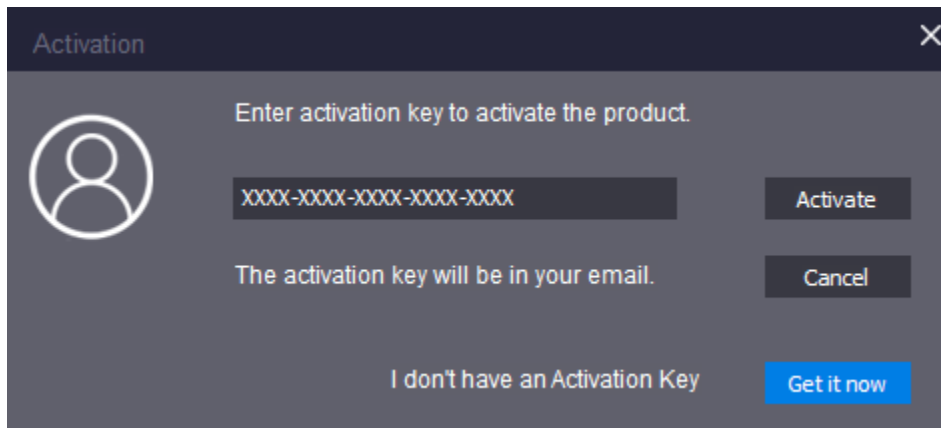

The demo version is just for evaluation purposes and must be eventually activated to use the full functionality of the software. The software can be activated using the Activation Key that you receive via email after purchasing the software.

### To activate the software:

1. Run the demo version of **Stellar Converter for Audio Video** software.
2. On the main user interface, click the **Activation** button  in menu bar. The **Activation** dialog is displayed as shown below:

3. If you don't have the activation key, click the **Get it now** button in the dialog to go online and purchase the product.
4. Once the order is confirmed, an Activation Key will be sent to the email provided.
5. Type the **Activation Key** (received through email after purchasing the product) and click **Activate** button (Please ensure that you have an active Internet connection).

6. The software will automatically communicate with the license server to verify the entered key. If the key you entered is valid, the software will be activated successfully.
7. The '**Activation completed successfully**' message is displayed after the process gets completed successfully. Click **OK**.

## 2.6. Updating the Software

Stellar releases periodical software updates for **Stellar Converter for Audio Video** software. You can update the software to keep it up-to-date. These updates can add a new functionality, feature, service, or any other information that can improve the software. Update option of the application is capable of checking for latest updates. This will check for both latest minor and major versions available online. You can easily download minor version through the update wizard. However, the major version, if available, has to be purchased. While updating the software, it's recommended to close all the running programs.

### To update Stellar Converter for Audio Video:

- Click **Update** button  from menu bar.
- **Update Wizard** window opens. The wizard will search for latest updates, and if it finds any new updates, a window will pop up indicating its availability.
- Click **Next** and the software will download the files from the update server. When the process is complete, the software will upgrade to the latest version.

### Live Update may not happen due to following reasons:

- Internet connection failure
- Updates are not available
- Unable to download configuration files
- Unable to locate updated files or version
- Unable to locate executable file

**Note:** *If a major version is available, you need to purchase the software in order to upgrade it.*
