Stellar Deduplicator for Outlook

Installation Guide

Version 6.0.0.1

Overview

Duplicate items are often present in the Outlook mailbox. Multiple copies of a mail are saved when replies or forwarding is done to many persons. Duplicate mails can be present any where from Inbox or Outbox folder to Sent Items folder. These duplicate mails, unnecessarily increase the size of PST files. Your PST file can get oversized than its prescribed limit and get corrupted. Large sized PST files often slow the system.

Stellar Deduplicator for Outlook is a powerful software to remove duplicate items from MS Outlook mailboxes. The application easily and precisely removes duplicates according to the set comparison criteria. A wide range of comparison criteria is given in the software. You can compare and mark the mails as flagged, expired, copy or move the duplicate mails to a folder. you can also delete the duplicate mails to move them in deleted items folder or delete them permanently.

What's new in this version?

- Support for Windows 10
- Support for MS Outlook 2013, 2016

Ordering the Software

Click https://www.stellarinfo.com/email-repair/duplicate-outlook-remover.php to know more about **Stellar Deduplicator for Outlook**.

To purchase the software online, please visit https://www.stellarinfo.com/email-repair/duplicate-outlook-remover/buy-now.php
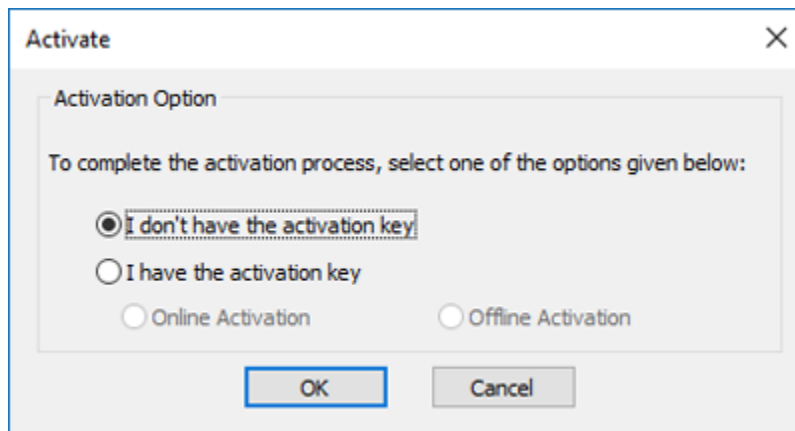

Once the order is confirmed, a Registration Key will be sent to you through e-mail, which would be required to activate the software.

Activating the Software

The demo version is just for evaluation purpose and must be eventually activated to use the full functionality of the software. The software can be activated using the Activation Key which you will receive via email after purchasing the software.
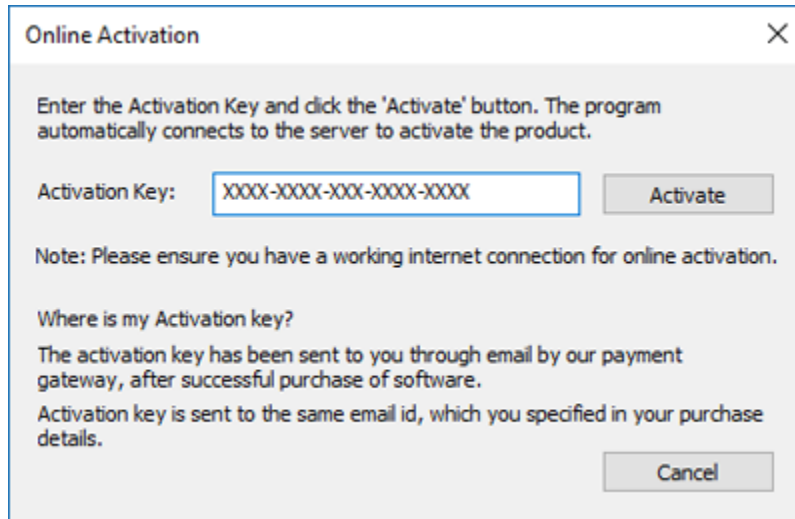

To activate the software:

1. Run demo version of the software.

2. Click **Activate** button. *Activate* dialog is displayed as shown below.

3. Choose 'I don't have the activation key' (Use this option if you have not purchased the product) or select 'I have the activation key' (Use this option if you have already purchased the product).

To activate the software, when you do not have a activation key, follow the steps given below:

1. In the *Activate* dialog, select '**I don't have the activation key**' option. Click **OK**, to go online and purchase the product.

2. Once the order is confirmed, a Activation Key will be sent to the email provided at the time of purchase.

3. In the *Online Activation* dialog, type the **Activation Key** and click **Activate** button (Please ensure that you have an active Internet connection).

4. ' *Activation Completed Successfully* ' message is displayed after the process is completed successfully. Click **OK**.
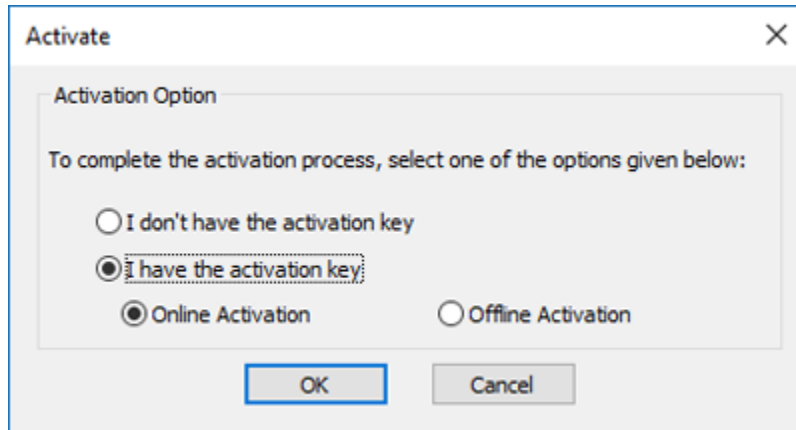

To activate the software, when you have a key, follow the steps given below:

1. In the *Activate* dialog, select '**I have the activation key**' option.

2. You can choose either 'Online Activation' (Use this option to activate the software over Internet) or 'Offline Activation' (Use this option to activate the software manually / through e-mail if for any reason, Internet connection is unavailable).
- **Online Activation**

Online Activation is possible only when an active Internet connection is available.

- **To activate the software online**:

  1. From the *Activate* dialog, select **Online Activation**. Click **OK**.

2. An **Online Activation** dialog box will appear.

3. Type the **Activation Key** (received through email after purchasing the product) in the field of Activation Key. Click **Activate**.

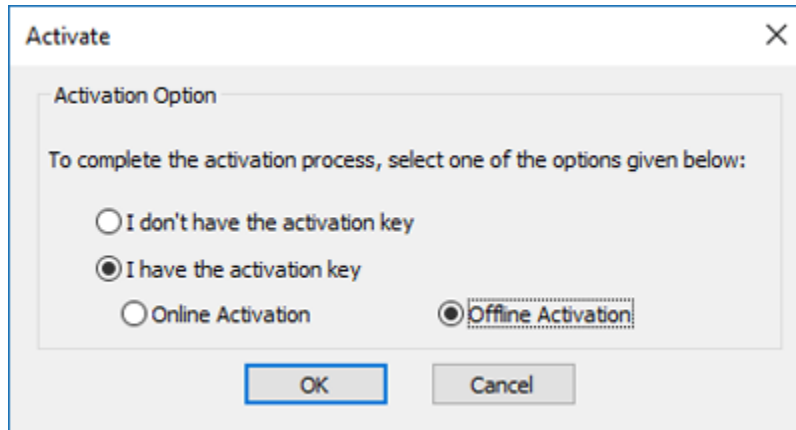

4. The software would automatically communicate with the license server to verify the entered key. If the key you entered is valid, software will be activated successfully.
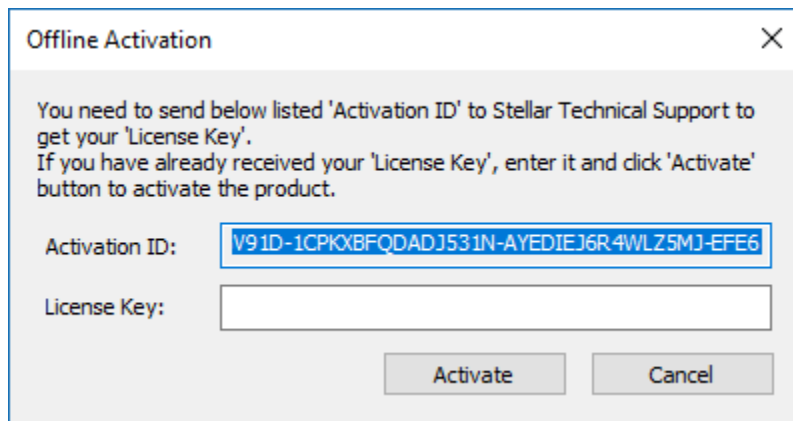

Offline Activation

Offline Activation enables you to activate the product when your computer does not have an Internet connection.

o **To activate the software offline**:

1. From the *Activate* dialog, select **Offline Activation**. Click **OK**.

2. An **Offline Activation** dialog box will appear displaying **Activation ID** in its respective field.

3. To get your License Key, which is required to activate the software manually, you need to mail the listed **Activation ID** to support@stellarinfo.com.

4. A License Key will be sent to your email address after verifying the Activation ID and purchase details by *Stellar Technical Support*.

5. After receiving the License Key, open **Stellar Deduplicator for Outlook**. In *Activate* dialog, select '**I have the activation key**'.

6. Select **Offline Activation** and click **OK**.

7. Enter the **License Key** received through email in the field of License Key.

Offline Activation   ✕

You need to send below listed 'Activation ID' to Stellar Technical Support to
get your 'License Key'.
If you have already received your 'License Key', enter it and click 'Activate'
button to activate the product.

Activation ID: V91D-1CPKXBFQDADJ531N-AYEDIEJ6R4WLZ5MJ-EFE6

License Key: XXXX-XXXX-XXXX-XXXX-XXXX

                              Activate   Cancel

8. Click **Activate** to activate the software. A confirmation message is displayed if a valid key is entered. Click **OK**.
